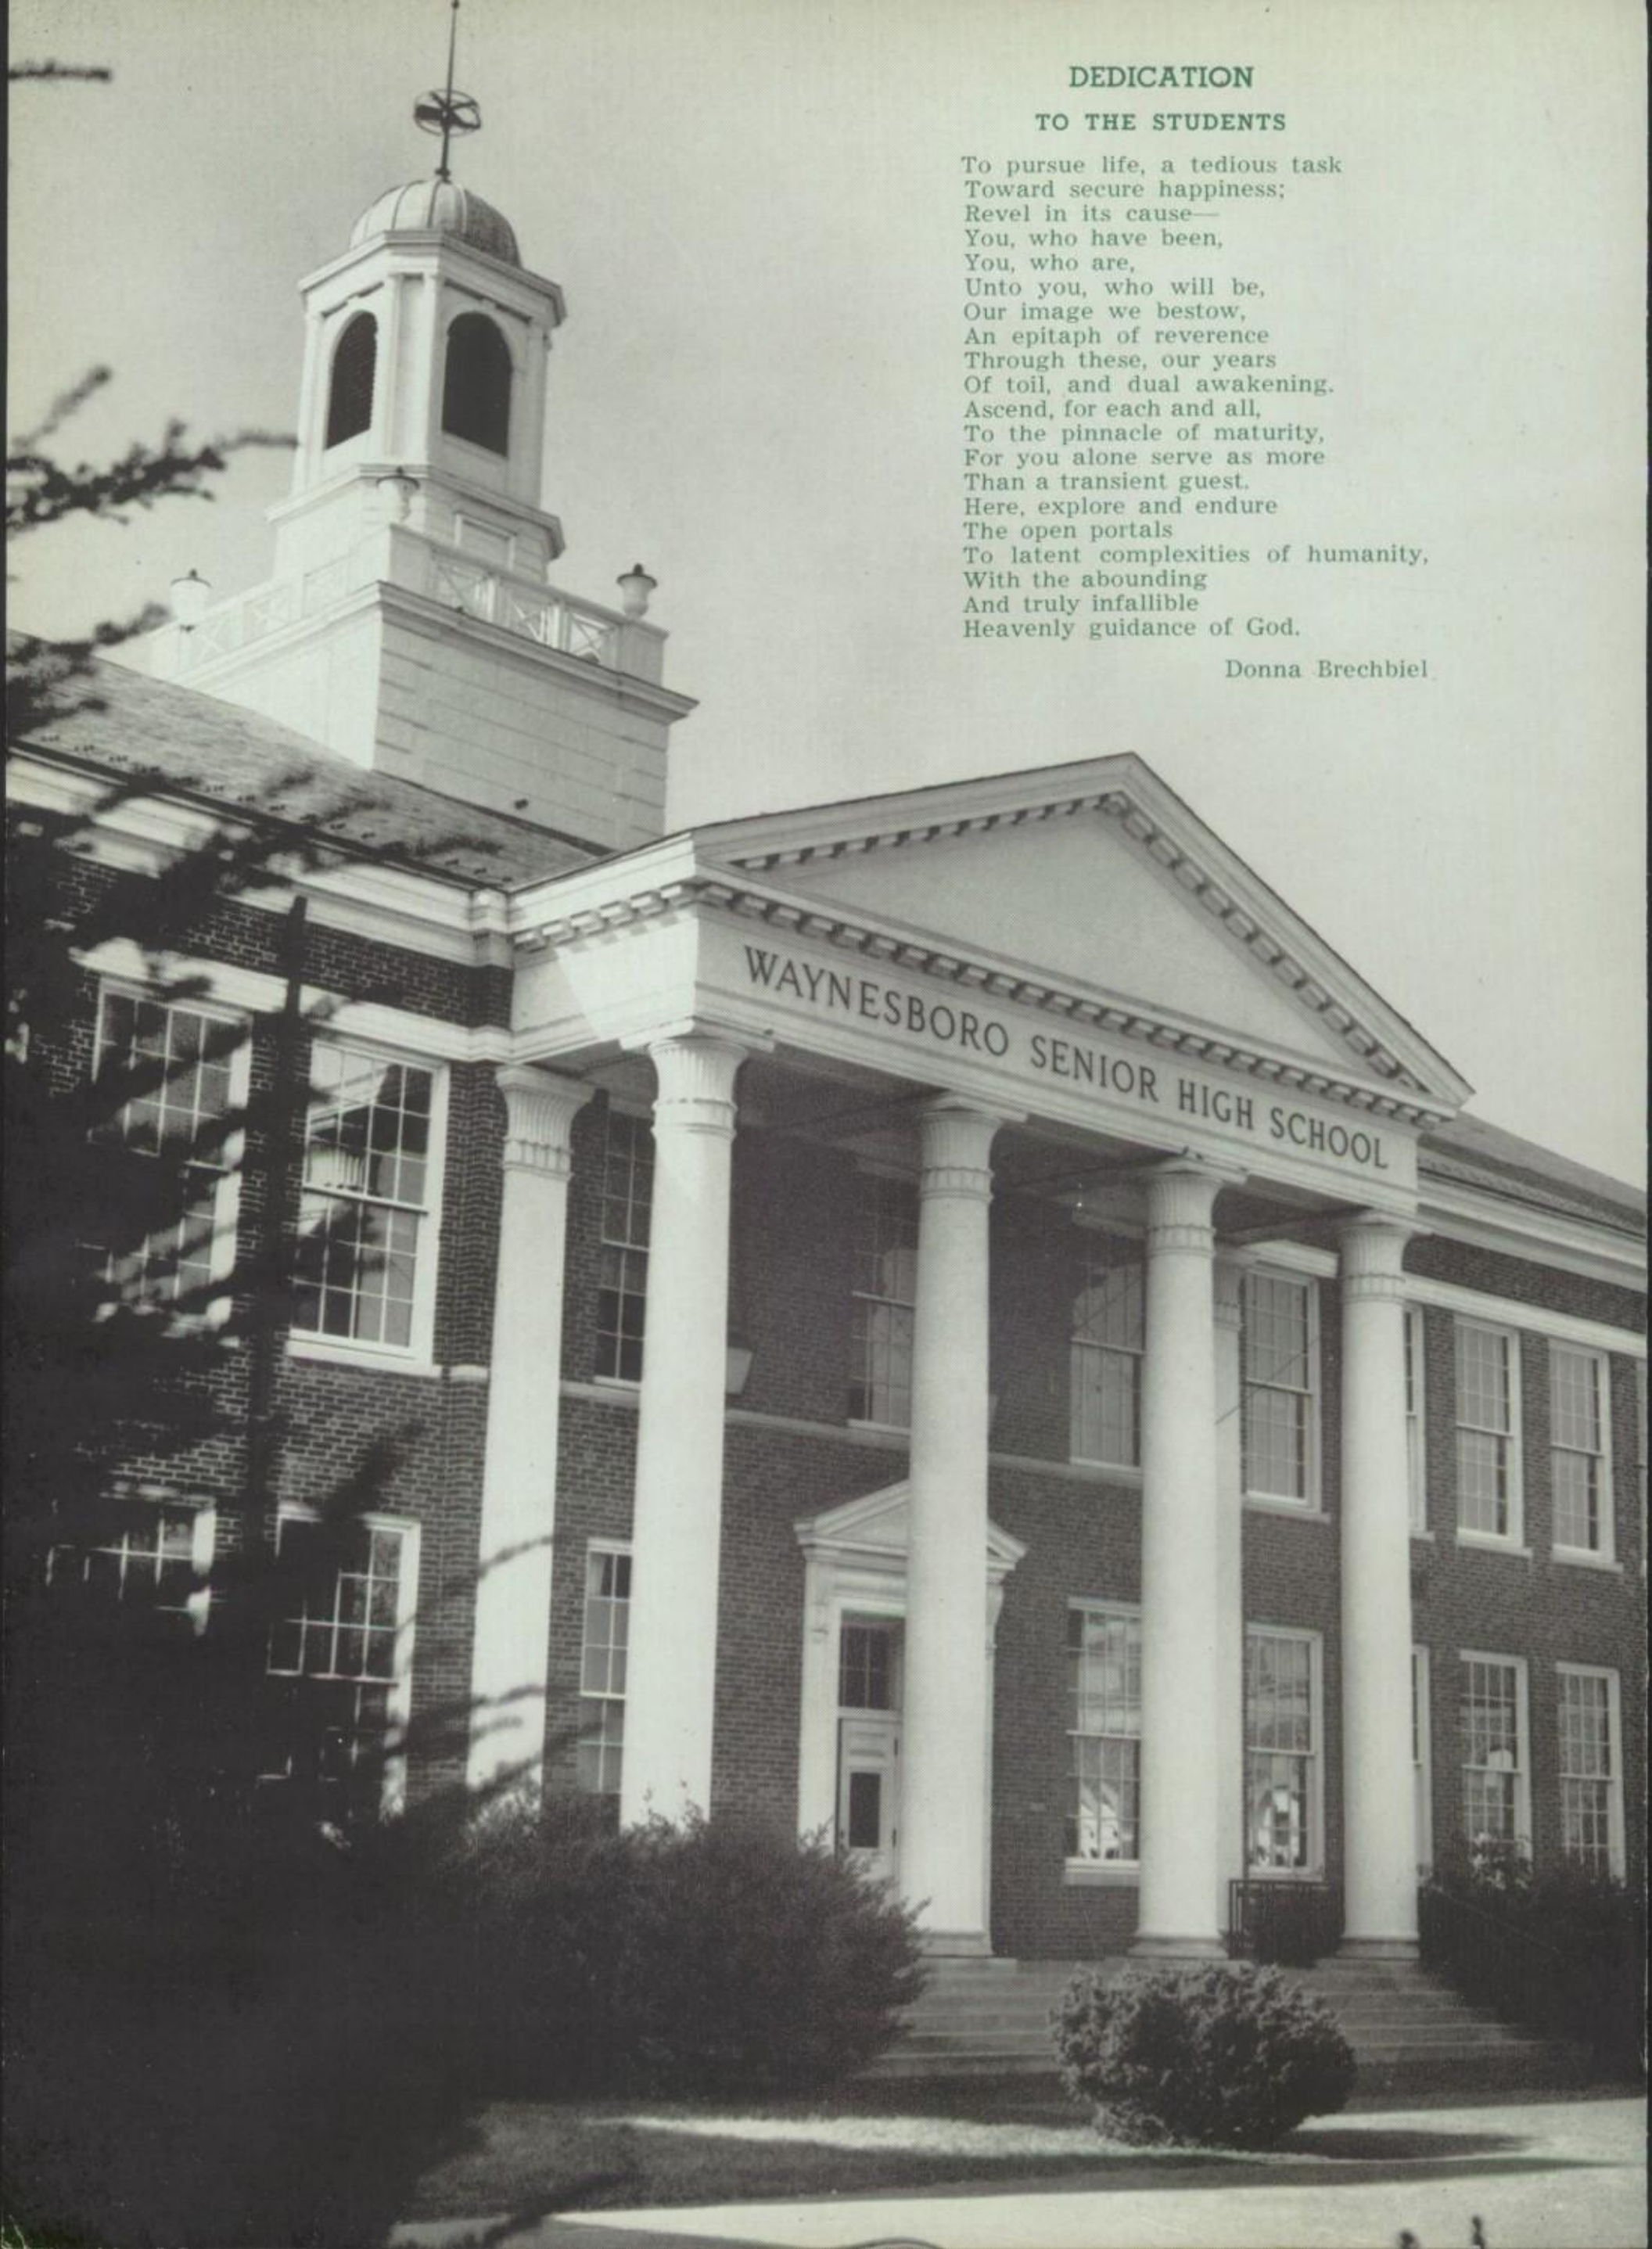
THE CLASS OF 1960

PRESENTS

THE WAYARIAN



DEDICATION

TO THE STUDENTS

To pursue life, a tedious task
Toward secure happiness;
Revel in its cause—
You, who have been,
You, who are,
Unto you, who will be,
Our image we bestow,
An epitaph of reverence
Through these, our years
Of toil, and dual awakening.
Ascend, for each and all,
To the pinnacle of maturity,
For you alone serve as more
Than a transient guest.
Here, explore and endure
The open portals
To latent complexities of humanity,
With the abounding
And truly infallible
Heavenly guidance of God.

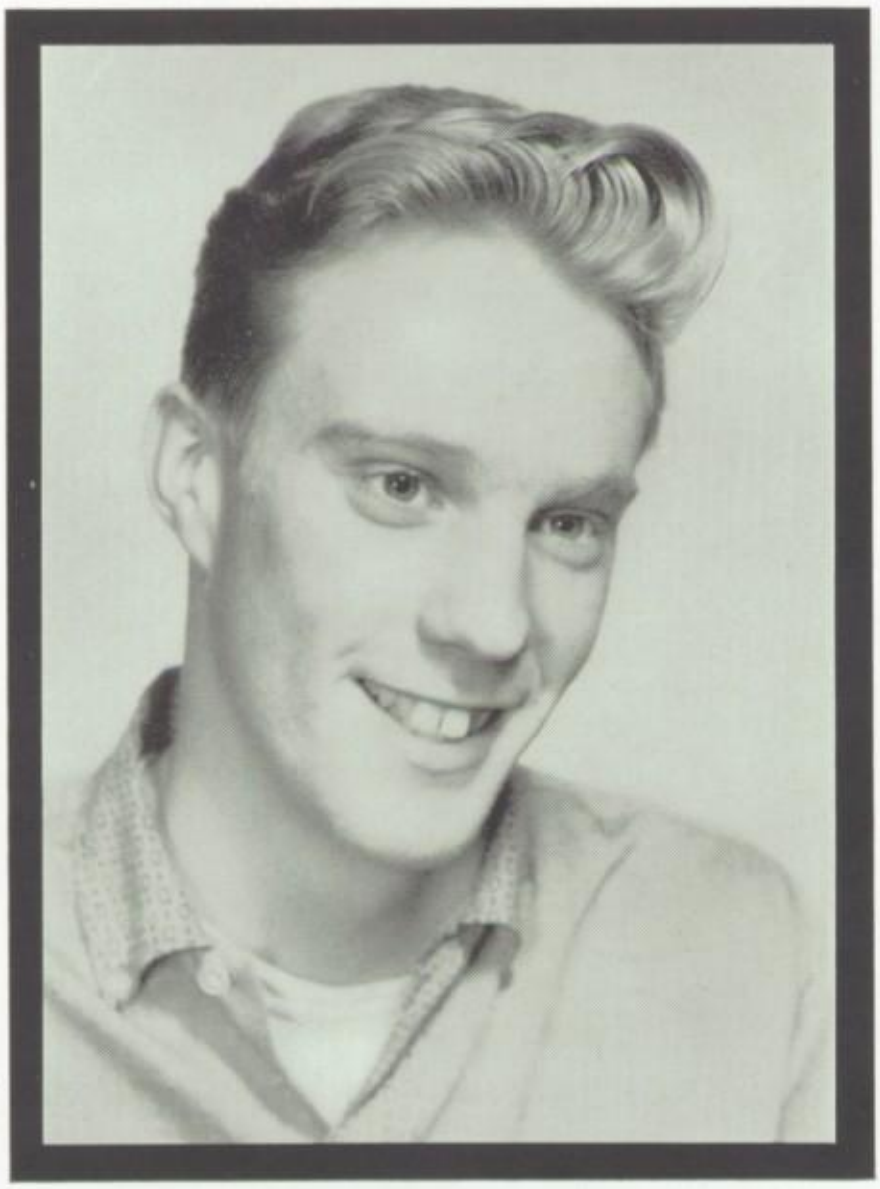
IN MEMORIAM



This yearbook would be incomplete if the name of Mike Marker appeared nowhere within its pages. Mike's tragic and untimely death in an automobile accident during September of 1959 prevented him from graduating with us; but we, the Class of 1960, will always remember his friendly, radiant personality and his willingness to share in all our activities.

FOREWARD

As 1960 ushers in a new decade, so will it usher in a new era of our lives. We are saying goodbye to our school; each will go out to make his place in life: to college, the Armed Services, employment, and marriage.

The 1960 Wayarian will serve as a memory book of all the good times we have had during our high school years.

We hope that the readers of this book will derive as much enjoyment from it as we have in presenting it.

TO THE CLASS OF 1960

The Board of School Directors of the Waynesboro Area School System wishes to take this opportunity to congratulate the members of the Class of 1960, upon having successfully completed twelve years of education as prescribed by the Department of Public Instruction.

We look to you as the future citizens and leaders in this progressive community, situated in the heart of the Cumberland Valley. Many who have preceded you have taken an active part in planning and creating the facilities which we so greatly enjoy today, and we urge you to participate in this important work.

To those who for various reasons may leave us, we hope that you will cherish fond memories of your associations and can at some future time rejoin us in reunion.

We wish you every good fortune.

CONGRATULATIONS TO THE CLASS OF 1960! You have successfully completed the high standards necessary to earn your high school diploma. Cherish and respect his document because it not only represents a symbolic recognition of personal achievement, but it is a key that will open many doors for you in your endeavors to further your aims and personal ambitions.

Like others that have gone before you in recent years, we urge you to face the challenge of a new and interesting age — an age of many frontiers — of space exploration, of nations living together peacefully, of applying our new-found knowledge to the age-old problems of mankind.

There are diseases of the mind and body to conquer. Keep the torch of freedom and independence of men and of our nation burning brightly. Respect justice for others as well as for yourself. Learn a better way to live together in accordance with our Christian ethics.

Remember the statement of Horace Mann: "Be ashamed to die until you have won some victory for humanity".

TO OUR GUIDANCE COUNSELOR:

To fully express all our thanks and appreciation to The Reverend George H. Bitner for the help and guiding words of confidence that he has given us would be impossible. The past three years have been the most important years of our lives; he has always been ready to help steer us in the right and meaningful direction.

He devotes all of his time to his work; and to find out what he does in his spare time is almost impossible, because he has no free time.

So to Reverend Bitner — our guidance counselor, teacher of everything, and true friend — we, the class of 1960, say, "Thank You."

TO OUR CLASS ADVISORS

With grateful remembrance, we are able to look back over the all too short period of time during which we received their excellent instruction and counsel.

More and more we realize that what often appeared as monotony in method was, in actuality, a manifestation of tireless and unselfish effort in the interest of our class.

And so to Mrs. Diffenbaucher, Mr. Hauber, and Mr. Davison, we the members of the class of 1960 must say "Sayonara;" but it is done only with the thought that they will ever be remembered with feelings of the highest esteem and regard for their faithful service to the class.

CLASS HISTORY

Only a few years ago we were two separate families. One living at Waynesboro Junior High and the other at Washington Township Junior High. However, in June of 1957 we said, "Sayonara," to our respective junior high schools and the following fall had our first taste of high school life.

As sophomores, we elected Steve Burger, president; Dorene Shank, vice-president; Barbara Moats, secretary; and Shirley Shank, treasurer. Our main projects were a food sale and the class plays, "Smart Enough To Be Dumb," "The New Car," and "More Perfect Union."

By the time we reentered W. A. H. S. as juniors, we were old hands at finding our way around school. Promptly we got to work and elected Sam Shafer, president; Tom O'Shea, vice-president; Joyce Barkdoll, secretary; and Dorene Shank, treasurer.

In addition to The Reverend George Bitner, two other members of the faculty, Mrs. Nancy Martin and Mr. Fred Hauber, were appointed to serve as advisors to our class.

Many memorable things took place in this year 1958-1959. We presented three plays, entitled: "Patterns," "Pinch Me," and "Romantic Conspiracy." In January of '59 we ordered our class rings. We also had various money-making projects, in order to have a successful Junior-Senior Prom. In April we worked many evenings to re-decorate our gym into a Japanese Palace.

At long last we were seniors. The officers we elected are as follows: Tom O'Shea, president; Art Guyer, vice-president; Barbara Moats, secretary; and Dorene Shank, treasurer. Our advisors were Mrs. Marguerite Diffenbaucher, and Mr. Fred Hauber.

Our senior year, was our busiest. We sold personalized stationery and ordered our name cards and announcements. Instead of having a class play, there was a school play entitled, "Come Over To Our House."

Our last few months as seniors were filled with the usual Junior-Senior Prom, Baccalaureate, and Commencement.

For most of us, graduation will be a time of happiness and a time for independence. However, we feel sure no matter what we do, we'll never say "Sayonara" to W. A. H. S., but "Thanks for everything we've experienced as a family these past three years."

SCHOOL PLAY 1960

This year at W. A. H. S., the students saw a different type play from those of the previous years. This year instead of each class doing their own plays, they united and put on one three-act play.

"Come Over to Our House" is a light comedy, revolving around the Eldridge household — pretty widowed Mrs. Eldridge, the mother; lively ambitious Marion; and attractive Lindy, a Senior. It also revolves, most importantly, around son Jay — a serious lad with a great talent for serious, classical music who learns, when he meets the right girl (or is she the wrong girl?), that he also has a flair for swing, boogie-woogie and musical patter.

The three Eldridge kids all bent on running their poor mother's life, learn the childishness of their selfishness, and Mrs. Eldridge learns the importance of love.

Judy Robson served as production manager to the play! Congratulations to Mr. Minnich, Miss Robson, and all the cast members on a job well done.

The Student Council — representing the student body, with president Tom Baugher presiding and advised by Miss Gladys Mikesell — sponsored numerous activities at W. A. H. S. during 1959-1960. They met on alternate Thursdays throughout the school year.

Katy Lower, vice president, served as W. A. H. S.'s delegate to the National Convention of Student Councils held in June, 1959, at Pittsburgh, Pennsylvania.

At the opening assembly, sponsored by Student Council, Tom Baugher, Katy Lower, and Gar Royer explained the need and use of the activity ticket, which made its debut at W. A. S. H. this year. The Council welcomed all of us with the annual dance, the "Hi Hop," in honor of the sophomores, preceded by decorated bulletin boards and welcome notes. They also gave the sophomores and new students copies of the school handbook.

In November, Student Council held an open house for the students and their parents to create closer student-faculty-parent relationships. They also sponsored the annual tea for the seniors and their parents following the Baccalaureate Service.

The first Homecoming Dance was held on November 17 preceded by a Homecoming Game at which Student Council sold chrysanthemums. During the Dance, Shirley Shank was crowned Homecoming Queen with Barbara Huff, Carol Kepner, Katy Lower, and Jane Stine serving as her court. The Queen's escourt, Steve Engle, was named King. This benefit dance netted $70 for the Franklin County Crippled Children and Adults' Society.

Preceding the Christmas holidays, the Student Council created a festive mood around school by sponsoring a bulletin board contest in which the homerooms competed for prizes.

In early spring Student Council held a Leadership Training Course for all officers of school clubs and classes as well as all interested students. The purpose of this course was to help the officers realize their duties and the correct use of parliamentary procedure. A clean-up campaign and participation in a national photo contest were also undertaken by the Council. The 1959-1960 Student Council initiated the sending of get-well cards to members of the faculty and student body when they are ill for several days.

Four members of the Council — Judy Castelluccio, Steve Engle, Keith Vinson, and Katy Lower — attended the District Convention at Cornwall, Pennsylvania, where Miss Lower gave a report on the National Convention which she attended last summer.

We wish to congratulate Miss Mikesell and the members of Student Council for serving the student body so well.

The Library Club is an organization of boys and girls who spend much of their study-hall time behind the desk in the Library. There are the people who are responsible for the attractive bulletin board displays and the mending and stamping of the books.

The purpose of the Club and library service is to increase pupil understanding in library work.

These people not only have an interesting job but also obtain much enjoyment from it. Each year they plan a Christmas luncheon, and during Library Week they hold a tea for the faculty. In the spring they conclude their monthly meetings with a party.

Miss Mikesell and the members are to be commended for the excellent job done by this organization.

This year the Waynesboro Area High School's newspaper, the "Blue and Gold," marks its 35th year as a student-operated publication. Subscribers receive copies of "Blue and Gold" the first Friday of every month—October through June. Yearly subscriptions cost $1.15, and copies are sold individually at 15 cents.

The editors and staff have made this year's paper an interesting and lively one. The editors were chosen by last year's editor-in-chief and advisor, the criteria being: industry, interest, and ability. New staff members were chosen at the beginning of the year on the basis of a sample writing submitted to the editor.

The money needed to publish the nine issues of the paper was obtained from a subscription campaign in September and a "bargain" offered in January.

"Blue and Gold" under the capable and "all-seeing eye' of Dorene Shank featured extensive news coverages: Senior Celebrities, Teacher of the Month, Roving Reporter, and an exchange column called Spilled Ink. On the sports page, all athletic contests were accurately covered including reports on intramurals and girls' gym activities. The analysis of the teams and their games were capably handled by John Spangler in "Under the Totem Pole." The editors, reporters, and business staff should be commended on the success of the paper.

In February, the Forensics Club sponsored an interesting and different assembly program in which choral speaking was utilized for the first time at W. A. H. S. They also held debates on many interesting subjects and gave short plays at noontime.

In the spring, several members usually enter District Forensics competition.

In an effort to improve academic achievement, promote worthy leadership, develop good character, and stimulate service, W. A. H. S. this year continued the three-year-old Wayarian Chapter of the National Honor Society.

The Society was organized in 1921 by the Secondary School Principals with headquarters in Washington, D. C., and includes more than 6,000 chapters in high schools throughout the United States.

A student must be a junior or senior, have spent at least one semester in the Waynesboro Area Senior High School, and have achieved a "B" grade, or better, in all major subjects to be eligible for membership in this organization. Character, leadership, and service are then considered by the Faculty Council, which represents the various departments.

This year the Council includes Mr. Shull, principal; Miss Mikesell, stu-council advisor; Mr. O'Brien, social studies; Mr. Harbaugh, science; Mr. Fox, mathematics; and Mr. Diffenbaucher, English. Mr. Diffenbaucher acts as chairman.

As a service project, the Society undertook the designing of a victory flag for the school. Membership requirements were made uniform. Monthly meetings and two induction ceremonies, followed by teas honoring the inductees and their parents, were held during the year.

The aim of the Tau Kappa Phi Sorority is to create friendship and co-operation among the girls in school as well as community life.

Under the capable leadership of Barbara Huff, president; Eleanor Berklite, vice-president; Shirley Shank, secretary; and Jane Stine, treasurer, the Sorority successfully completed many activities.

The new members underwent a "wild and wooley" informal initiation at the home of Nancy Fogt and a more subdued formal initiation at the home of Eleanor Berklite.

During football season, the halls were colorfully decorated by TKP. The annual TKP dance was held on November 28 and followed the theme, "Fantasyland." A Valentine party for underprivileged children was held February 13, 1960 at the Lutheran Church. A party was held for children of the Quincy Orphange early in the spring. The money for these activities came from a car wash and other money-making projects. Meetings, under the leadership of the advisor, Mrs. Nancy Creager, were held twice a month at the members' homes.

The Waynesboro Area Senior High School Business Education Club is a new organization this year and hopes to become bigger and better in the coming years.

The purposes of the Club are to promote high standards in the field of business education, to develop initiative among business students so they will obtain more than classroom preparation for future positions, to foster good will within the school, and perform services for the school.

To be eligible for membership in the Club, the student must be a Junior or Senior carrying at least two commercial subjects.

A regular meeting of this organization is held once a month..

The W. A. H. S. Future Teachers of America Club is a new organization which received its charter this year. It is advised by the Reverend George H. Bitner and a faculty committee including Mr. Edgar Coons, Mrs. Romaine Fiery, Mrs. Martha Fisher, Mrs. Ethel Kitzmiller, and Miss Genevieve Nisewonder.

The purposes of the organization are to portray the ideals, ethics, history, and program of the organized teaching profession; to provide opportunities by which students may cultivate the qualities of personality, character, and leadership essential in good teachers; thus exploring their own interest and abilities in teaching as a career.

Membership in the Club is open to any junior or senior interested in the teaching profession, provided he has taken the Teachers' Aptitude Examination. This year's sophomores will be admitted in the fall of their junior year.

This year the F. T. A. spent most of its energy on organizing and formulating a constitution. Each member, having indicated his preference as to subject, grade, etc., went into the classrooms of local schools to observe and teach on a small scale for a few days. This proved quite effective as testing ground for the students.

FUTURE NURSES CLUB

Row 1: Susan Myers, Martha Fry, Jane Stine, Donna Brechbiel, Barbara Moats, Carole Ostroff, Linda Berkheimer, Elizabeth Cummins, Charolette Hykes, Charolette Myers.

Row 2: Anna Mary Gingrich, Martha Reed, Barbara Smith, Dawna Hauptman, Suzanne Fisher, Carolyn Kinna, Lynn Knupp, Peggy Bumbaugh, Carolyn Haffner, Nancy Bachell, Doris Kirkpatrick.

This is the first year for the Future Nurses Club at W. A. H. S. It has been organized for experimental purposes; and if it proves successful, it will become the Pre-Nursing Club.

The purpose of the association is to help those girls who are planning on a nursing career become better acquainted with this field of work. The meetings are held every two weeks throughout the year. At many of the meetings, outside speakers are invited to talk to the girls.

This year the supervision of the association was under the direction of the School Nurse, Mrs. Corrine Altland, and a committee of four senior girls — Carole Ostroff as chairman, Donna Brechbiel, Linda Sulanke, and Barbara Moats.

The Future Homemakers of America is a national-youth organization. The aim of the Club is to further interest in building better homes. Any girl who is interested in Home Economics is eligible for membership in the Club.

The girls worked on many projects throughout the year to develop their homemaking skills.

The F. H. A. Creed follows:

We are the Future Homemakers of America.

We face the future with warm courage and high hopes.

For we have the clear consciousness of seeking old and precious values.

For we are the builders of homes, homes for America's future.

Homes where truth and love and security and faith will be realities, not dreams.

We are the Future Homemakers of America.

We face the future with warm courage and high hopes.

The Future Farmers of America is a national organization composed of vocational agriculture students. The aims of the F. F. A. include furthering the development of agriculture, leadership, cooperation, and citizenship.

The F. F. A. is very active and accomplishes many group and personal projects. This year they planted corn, using different cultural methods, and sold vegetable seeds. They also presented an interesting assembly program. Members of the F. F. A. attended the State Convention at Penn State, the Sears Swine Banquet, where Mark Benedict received a $25 award, and judged at the Adams-Franklin and Pennsylvania State F. F. A. contests. The organization served as host for the Adams-Franklin F. F. A. Winter Jamboree and attended the Summer Jamboree. They entered the Adams-Franklin F. F. A. project contest from which Mark Benedict, Larry Stottlemyer, and Eugene Martin emerged as winners. Members also attended the Pennsylvania State F. F. A. contest at which Harold South and Eugene Martin received medals.

There are several degrees of achievement in the F. F. A. in which our members participate. These degrees range from Green Hand to Chapter Farmer, Area Farmer, State Farmer, and National Farmer.

We hope the boys will keep up their good work in the future.

CAMERA CREW

The student projectionists donate their time, knowledge, and cooperation to class and school-sponsored projects and organizations. Through their efforts, these students gain valuable experience as well as the satisfaction of helping to enrich each student's life at W. A. H. S.

Although their importance is not often realized, they are actually a necessary link in the success of the activities in which they participate.

We express our appreciation to the members of the camera crew.

SHIRLEY SHANK CROWNED HOMECOMING QUEEN

The Students, alumni, and guests of W. A. H. S. were invited to the first Homecoming Game and Dance sponsored by the Student Council on October 17, 1959. It was an eventful and fun-filled evening for many.

Hanover High was the opposing team for the Homecoming Game. The Tribe put up a good defense which made the game an enjoyable one for the spectators. At half time the band formed a semicircle on the field while the candidates for Homecoming Queen were called out.

At the end of the game many rushed home to get ready for the Dance. At 9:30 p.m. the doors opened on a transfigured Gym which carried out the theme "Autumn Gold."

The students of W. A. H. S. had voted twice to elect the 1960 Homecoming Queen of W. A. H. S. Barbara Huff, Carol Kepner, Katy Lower, Shirley Shank, and Jane Stine were chosen as semi-finalists. The final vote named auburn-haired Shirley Shank as Queen of the Homecoming Dance. She was crowned by Tom Baugher, Student Council president. During the crowning, Ordean Yaukey sang "Autumn Gold," an original composition by Steve Engle.

The guest book was signed by more than 300 students, alumni and guests. Dance music was provided by Sam Omwake's Band and refreshments were served by the Student Council.

Autumn Gold

Music and Lyrics by Steve Engle '61

Slowly - With Feeling

-1- As Na-ture's "Au-tumn Gold" begins to fall, the breez-es
"Au-tumn Gold" comes in-to view, the breez-es
gently beckon to old winter's chill. A lonely rose that may still
soft-ly whisper I'm in Love with you. A flirting glance you passed my
bloom is but a mem-o-ry From summer's tune. -2- As days grow
way would set my heart to sing. Why did Love stray? (to chorus)
shorter and nights grow long, I sense the haunting feeling
that I'm so a-lone. I need your Love to have and hold, but all you left with me

- CHORUS -

was "Autumn Gold." One windy night we said good bye and with
one em brace we parted. Why oh why? You never cared that my Love
wasn't shared and my heart was sold For "Au tumn
Gold." -3- As Na ture's (D.S al Fine)
For "Au-tumn Gold." Fine

Their male voices were heard in a Christmas assembly, the county school directors' school convention, a May assembly, and the traditional spring concert. Accompanist for the season was Jeff Schlichter.

The 1959-60 season's repertoire included: *Cindy,* by Noble Cain; *Donkey Gal* (From Songs of the West) by Norman Luboff; Gearhart's arrangement of *Drunken Sailor; Eight Bells,* which was arranged by Bartholomew; Hawley Ade's arrangement of *America Our Heritage;* and Genuchi's version of *Good Old Mountain Dew.*

Featured soloists for the season were juniors: Ordean Yaukey, Neal Clopper, Sam Sipe, and Gerald McKelvey and senior: John Spangler.

BAND

This year the Band Council, the governing body of the Band, began its fourth year of existence. The Council, with the aid of Mr. Zimmerman, makes all the decisions involving the Band and its members. Discipline of the members also comes under its jurisdiction. This year a new system, the monitor system, was put into effect. This system is basically the demerit system, wheras any Band member will receive one or two demerits, as the case may be, for every wrong deed. Monitors and assistant monitors were elected to watch the Band members carefully and to issue demerits whenever necessary.

Under the direction of Robert A. Zimmerman the Band attended the Hagerstown and Waynesboro Christmas Parades and Memorial Day Parade. On April 19, the Band presented its annual spring concert. In addition to this, the

band received an invitation to attend the annual Apple Blossom Festival in Winchester, Va. During the summer, the Band played at block parties and spent a week at Band camp training for half-time drills to be presented during football season.

Representing W. A. H. S. at District Band were: Robert Bigony, Ralph Bovey, Larry Creager, and Tom Eigenbrode.

Ralph Bovey, also gave us great honor when he represented us at Regional Band; he was the sole member of W. A. H. S. to receive this honor.

In order for the Band to participate in all these activities, it needs money. The Band Auxiliary never seems to tire of helping the Band. So to our wonderful director and friend, Mr. Zimmerman and also the Band Auxiliary, the class of 1960 says, "Thank You."

This year's Indian Princesses were led by junior, Diane Decker and heap, big chief, Gordan Bateman.

The majorettes main attraction at the football games this year was a fire-baton act. To make it even more appropriate, they twirled to "Hot time in the Old Town."

By putting in many long hours of practice, they made a nice pow-wow wherever they went, even in the coldest weather.

FOOTBALL

The 1960 edition of the Waynesboro Area Senior High School Indians compiled an 8 to 8 record. They finished last in the South Penn Conference. However, they had a better ball club than their record indicated.

They opened the season with a home game against the South Hagerstown Rebels. They lost the game 7-6. Keith Vinson picked up Waynesboro's lone touchdown.

The first South Penn Game was at Middletown. There the Indians gained 256-yards while holding the Biue Raiders to only 52-yards, but lost the game 6-0.

In a real oddity the Indians dropped a game to Hershey 19-6. The game was started on Friday, September 25, but the lighting system caught fire during half-time and the game was stopped. The second half was played on Monday, September 28. Allen "Elmo" Hoover scored Waynesboro's touchdown during the first quarter.

The Indian's first victory came at Scotland, 6-0. Keith Vinson scored Waynesboro's touchdown. The Indian defense sparkled as they held Scotland to a merger 7-yard gain for the game.

Following the victory over Scotland, the Indians lost to Carlisle 27-7. Waynesboro's touchdown came on a spectacular 48-yard Loy-to-Stouffer pass play. Hoover backed across the goal line for the extra point.

The South Penn Champions, Hanover, invaded Waynesboro and went home with a 28-7 victory. "Yogi Martin scored Waynesboro's touchdown with Stouffer making the extra point.

In a game played in mud and fog, North Hagerstown trimmed the Indians 21-0.

On Halloween night the Gettysburg Warriors nipped the Indians 12-6 on a late fourth quarter touchdown. A 70-yard Indian touchdown drive was climaxed by a 36-yard Loy-to-Guyer TD pass.

In the game with rival, Chambersburg, the tribe went down to defeat honorably — 14-0 in a hard-fought battle.

In the final game of the season, the Tribe scalped Mechanicsburg 19-6. "Yogi" Martin scored two touchdowns, one a 66-yard run and the other a 15-yard return of an intercepted pass. Don Eakle scored the other Indian touchdown and Allen Hoover added an extra point.

The J-V Team did quite well. They compiled a 3-1 record. The Little Indians scalped Chambersburg, Scotland, and Shippensburg. Their only loss was to North Hagerstown.

Several members of the Indians received all South Penn Second Team and Honorable Mention honors. I am sure that the Indians will remember every minute, from Football Camp to the final gun, and will be looking forward to future campaigns.

Chambersburg High's pennant-seeking Valley Trojans had a scare thrown into their second half plans by a scrappy Tribe of Waynesboro Indians last night but recovered to score a 57-46 win on the Chambersburg floor.

Sparked by Bob Stoops' four fielders, the Tribe made it a nip and tuck battle through the first period but suffered a point production lapse in the second and never recovered.

At that it was a far cry from the 91-37 thumping the Trojans administered here earlier in the season. Having breezed unbeaten through five first-half games, the Trojans apparently considered the Indians beneath their notice.

Bob Stoops, who was elected honorary team captain, was on the first All South Penn Power team. Brian Sachs was awarded honorable mention. Stoops and Steve Martz also played on the Franklin County All-Star team.

Waynesboro was awarded the Conference Sportsmenship award.

The Indians opened the season at South High by trimming the Rebels 47-42. Sachs, Stoops and Shockey sparked the Indians. In the return engagement, the Indians defeated the Rebels 52-48. Bob Stoops and Brian Sachs led the scoring with 18 and 15 points respectively.

On the Waynesboro floor the Indians beat the Scotland Cadets 52-50 in overtime. The score had been 48-48 at the end of four quarters. Bob Stoops and Brian Sachs led the Indians with 11 points each.

North High was defeated 45-31 on the Indian floor. The Indians held the Hubs to 8 points the first half. Vinson led the Indians scoring with 18 points. On the Hagerstown floor the Hubs were scalped 49-36.

The South Penn Champions, Chambersburg, romped over the Indians 91-57 on the home court. On the Chambersburg floor, the Trojans won by a 57-46 score.

The Martinsburg Bulldogs, CVAL champs, romped over the Waynesboro Indians 78 to 58 on the West Virginia floor. In a sensational game on the Waynesboro floor, the Bulldogs defeated the Indians 62-54.

The Indians whipped Biglerville 59-48. Bob Stoops and Steve Martz led scoring with 17 points each. On the home floor the Canners were crushed 54-35.

The Hanover Nighthawks clawed the Indians 65-53 in a home game. At Hanover the Indians were whipped 75-56 despite Bob Stoop's 32-point effort. This was the high individual performance of the season for the Indians.

Cedar Cliff stampeded the Indians 82-51 in their first engagement. In the return match the tables were turned and the Tribes upset the Colts 76-58 and scored their highest total number of points for the season. Four of the Indians were in dobule figures with Bob Stoops leading with 27 points.

The Tribe scalped the Gettysburg Warrios 45-40. However, in the return match the Warriors won 40-34.

For the first time in many years the Tribe scalped Carlisle on the Carlisle floor. Don Eakle sparked the 49-44 win. In the final game of the season the Tribe walloped Carlisle 75-59. Again four Indians scored in double figures, led by Bob Stoops with 20 points and Brian Sachs and Steve Martz with 16 ponits each.

The 1960 Waynesboro Indians hope to improve on their 1959 record of five wins and eight losses. Last year's team was weak in hitting, but this year they hope to acquire better averages. The pitching looks adequate. The team is off to a flying start at the beginning of the season and we wish Mr. McElhaney and his team a successful year.

RECREATION ACTIVITIES

Intramurals give boys who are not letter men a chance to participate in team sports such as basketball and volleyball.

Since there is no provision for girls to participate in inter-scholastic sports, intramurals give the girls their only opportunity to take part in team sports.

Friendly rivalry between homerooms creates a great deal of interest in intramurals . . . . interest enough to cause members to either eat a hasty lunch or skip lunches in order to take part.

The girls this year were well represented in the basketball games. The sophmore champions were room 2A, Mrs. Diffenbaucher's room. The junior champs were room 25, Mrs. Wilson's room. Last but not least were the seniors, the winners in this case being room 16, Mr. Muschamp's room.

The Senior boys championship was won by the Music Room, Mr. Franklin's room. The junior contest was won by room 23, Mr. Snare's room; The sophmore contest was won by room 2A, Mr. Zehler's room.

Volleyball is the sport that closes the intramural season. To play this sport, the teams are composed of both male and female players from the various homerooms. This sport is the more popular, possibly because it is a co-ed actiity. The boys do the lion's share of keeping the ball air-borne; however, the girls who watch it whiz by usually make a save at the critical moment. The Music Room which is Mr. Franklin's room, won the senior volleyball tournament.

Something new has been added to the entertainment calendar of the school. An all girl performance entitled the "Powder Puff Parade," was presented on the evening of April 23rd. Every girl in the school participated.

The theme centered around the twelve months of the year. Each month was portrayed in a novel act with suitable costumes. As a special feature of the program, twelve calendar girls were chosen by the male population of the school.

The Waynesboro Future Farmers of America basketball squad ended the season as champions of the Adams-Franklin County F. F. A. basketball league.

Eugene "Yogi" Martin joined the ranks of football greats of the Waynesboro Area Senior High when he was awarded the Floyd Chalfant Competitor Award at the annual awards dinner held at Blue Ridge Fire Hall. His name was added to the list already inscribed on the permanent trophy. He received as his personal memento a large, framed portrait of himself.

GREETINGS TO THE CLASS OF 1960

What do YOU want out of life?

The philosophers tell us "you get out of life what you put into it."

YOU will soon become trustees for future American generations — Do your part in preserving our American Freedoms, for which your forebears fought and died.

If you have read "Acre's of Diamonds" you should be convinced that many opportunities exist for you right here in Waynesboro. We hope you are preparing yourself to take over, where some of our elder citizens have to leave off.

The best of luck to all of you.

Cockshutt tractors are built in four rugged sizes: power steering is optional.

For 110 years (ever since George Frick built his first steam engine in 1850) we've been serving the farmers of this area with superior equipment: threshers, then combines; broilers and engines, then power units; traction engines, then tractors; up-and-down sawmills, then portable circular types; hand operated sawmill carriages, then remote air-electric controls; mowers, then forage harvesters; wagons, then spreaders; grinding rolls, then feed mills; shovels, then power loaders! You're in step with progress when you buy Frick Machinery: visit us today.

As you come to the final page of this book, the Wayarian Staff would like to say it hopes you enjoyed each preceeding page. We feel that the final results were worth all the time and effort put forth and hope you will share our feelings.

Our thanks are extended to each and every student and teacher for the cooperation given us on the many occasions when we made requests for data sheets, baby pictures, snapshots, and other information.

We hope you will cherish this book and refer to it often to refresh your memory of the *"good old days."* Don't let its closing today be as final as that of our high school days upon graduation.
